PROGRAMME AND PRICE GUIDE · NOVEMBER 2026

AI training for Malaysian teams, on the tools you already use

Hands-on, in-house training on Copilot, ChatGPT, Claude, Gemini or Canva AI, in your company's own accounts. Five levels, plus programmes for developers and leaders.

- **HRD Corp claimable; we prepare the claim documents**
- **In English, Malay or Mandarin, anywhere in Malaysia, and overseas on request**
- **Participants use your company's approved tools, devices and accounts. Your documents and work data stay in your own tools. We keep attendance, survey answers and our reports; online sessions are recorded**

Post-training survey, May to October 2026

57%
use AI daily one month after training
One month after foundation-level programmes

4.2 hrs
saved per person per week, about RM 510 a month
Self-reported; RM 28.41 an hour

Five levels, two tracks

START HERE
1 · AI Foundation
Everyone, half or full day

BUSINESS TRACK, NO CODING
2 · AI Practitioner
Use AI in your team's work

3 · AI Specialist
Build assistants, automations and agents

TECHNICAL TRACK
4 · AI Integrator
Connect AI to company systems

5 · AI Architect
Design, test and govern AI systems

FOR LEADERS, STANDALONE
Strategic AI Leadership
Three courses, each ending in a decision

Start where your team is today. AI Practitioner requires AI Foundation (L1) or equivalent. Technical staff with scripting and API experience can start at AI Integrator. AI Developer, a separate two-day programme on the technical track, is for people who write code every day.

How pricing works

- In-house prices include up to 20 participants. Each extra participant is the programme price divided by 20, up to 25 people per trainer. Above 25 we quote a second trainer or cohort.
- Strategic AI Leadership is priced for up to 12 participants; larger groups on request.
- Prices exclude 8% SST. When you claim through HRD Corp, a 4% HRD Corp fee is added; both are claimable. Travel outside the Klang Valley at cost.
- Every training programme includes a certificate of completion, a one-month impact survey and three months of monthly alumni sessions. A 30-day follow-up session is an add-on for any programme.
- Paying: through HRD Corp there is no deposit; HRD Corp pays us in full after delivery (if it rejects a claim, your company pays). Self-paying: 50% deposit to book, balance after delivery. Quotes valid 30 days; LHDN e-invoices.
- Fewer than 12 people? AI Foundation and AI Tool Deep Dives have public seats (live online, booked on mereka.io); other programmes we tailor as Custom Training.
- Microsoft certifications: RM 500 per person per training day, groups of 15 to 25; exams at Microsoft's price.

HRD Corp rules for in-house training

HRD Corp updated its rules in June 2026. Public seats only need booking 3 days before the session.

Apply 3 to 4 weeks early. HRD Corp needs approval 14 days before training starts.

One working day to process. If HRD Corp queries your application, respond within 5 days or it expires.

No changes after approval. Lock the date, trainer and venue before you submit.

Train within 14 to 90 days of approval.

From discovery to delivery

Discovery call

Free, 30 minutes. We recommend the right programme and pick a date together.

Proposal within 48 hours

A tailored agenda, learning outcomes and budget.
